---

1. Purpose

Soul In PsyAbstract LLC is committed to preventing money laundering, terrorist financing, and financial crimes across all products and payment channels.

---

2. Risk-Based Approach

Customer Type	Risk Level	Verification
Free platform users	Low	Email only
Paid subscriptions ($9–$29/mo)	Low	Email + payment method
Art buyers (retail)	Low	Name + shipping address
SIPA Token via DEX	Low	DEX/exchange handles KYC
Enterprise clients	Medium	Company docs + UBO + EIN
Transactions >$3,000	High	Enhanced due diligence

---

3. Third-Party Reliance

SIPA relies on payment processors for their own KYC/AML obligations:

Provider	Responsibility
NowPayments	Crypto monitoring, sanctions screening
Wise	Bank-grade KYC
PayPal	Consumer identity verification
Payoneer	International payment compliance

---

4. Restricted Jurisdictions

SIPA does not knowingly serve individuals in OFAC-sanctioned countries (Iran, North Korea, Syria, Cuba, Crimea region) or EU/UN sanctions lists. Users must verify their local legal compliance.

---

5. Enterprise Due Diligence

For Enterprise agreements or transactions >$3,000, SIPA requires: 1. Company registration documents 2. UBO disclosure (all owners >25%) 3. EIN or equivalent tax ID 4. Proof of authorized signatory 5. Source of funds (for transactions >$10,000)

---

6. Transaction Monitoring

SIPA monitors for: unusual patterns · high-risk jurisdiction payments · attempts to circumvent payment limits · transactions inconsistent with stated business purpose.

---

7. Record Retention

KYC/AML records retained minimum **5 years** after end of customer relationship.

---

8. Policy Review

Reviewed annually or upon significant business/regulatory changes.
